Highlights

Requires a Philips Hue bridge

Connect your Philips Hue lights with the bridge to control your lights from your smartphone or tablet via the Philips Hue app.

Be your own lighting designer

Perifo track lighting doesn't just look good – it looks any way you want it to. Start with a kit and combine spotlights, pendants, light bars and more to illuminate your home the way you like.

Completely customisable

Perifo track lighting is completely customisable – even after it's installed – thanks to its easy click-in design. Add more lights, move them around on the tracks or even extend your track lighting whenever you like.

Flexible design

Angle the spotlights. Lower or raise pendant lights. Rotate the gradient light tube. Perifo lights can be fine-tuned to shine where you want them.

Made for ceilings or walls

Perifo track lighting offers both a ceiling and wall kit so you can choose exactly how you want to light your home.

Control it your way

Connect your Philips Hue lights with the bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add switches to your system to activate your lights. Set timers, notifications, alarms and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple HomeKit and Google Home to allow you to control your lights with your voice.

Create a personalised experience with colourful smart light

Transform your home with over 16 million colours, instantly creating the right atmosphere for any event. With the touch of a button, you can set a festive mood for a party, turn your living room into a movie theatre, enhance your home decor with colour accents, and much more.
