

TEMPTECH

Oslo OFX60SRB

- 145 liter
- Single zone
- Integrated / Free standing
- (WxHxD): 595x813x570

Temptech Oslo OFX60SRB

Scandinavian design with black glass front with integrated handle, solid shelves and internal LED lighting. Have a full overview of temperature and lighting with the refrigerator's digital display and touch panel. The cabinet has been developed with standard dimensions that allow seamless integration under the bench. Place the ventilation grid in the plinth in front of the cabinet when integrating. The refrigerator can also be placed freestanding. Smooth and efficient cooling with low energy consumption. The compressor is quiet and rests specially developed vibration dampers that reduce vibration and noise.

Product specifications

Bottle capacity (75 cl)	-	Cooling system	Compressor
No of shelves	3	Type of gas (charge)	R600a
Net volume (liter)	145 liter	Anti vibration compressor	Yes
Temperature zone(s)	1	Anti vibration shelves	No
Temperature	2-20°C	Active charcoal filter	Yes
Installation type	Integrated / Freestanding	LED-lighting	Yes (white)
Product dimensions (WxHxD)	595x813x570	Noise level (dBa)	39 dBa
Packaging dimensions (WxHxD)	660x930x625	Energy class	G
Net weight	-	Climate class	-
Gross weight	-	Power input (W)	-
Length of power cable	150 cm	Voltage (V)	220-240V
Reversible door	Yes	Annual consumption (kWh)	-
Anti-UV glass	Yes	Certificates	RoHs, CE, CB, ERP
Glass type	2-layered w/argon	Production country	China
Door height	713 mm	EAN-13	7090013679136
Door lock	No
